## National Fellows Virtual Program Application

The Economic Club of New York (ECNY) National Virtual Fellows Program is a customized year-long program that introduces rising executives across the U.S. with great promise to thoughtful discussions and debates on the complex issues of the day, ranging from pressing economic, social and political issues, public policy questions and corporate reporting issues to economic regulation and tech disruption, and much more. The National Fellows Program offers virtual access to the content, networking and exchanges along with participants of the 2023 NYC Class of ECNY Fellows. In addition, this cohort has some programming exclusive to them. National Fellows will be sponsored by a Club Member.

The virtual exclusive Fellows-only programming includes intimate events with prominent Executives who are Members of the Club who share their personal business insights in an open-discussion format, professional growth sessions, networking within the National Fellows Class as well as the NYC Fellows Class, and complimentary access to all virtual member events. Additional programming includes participating in the annual Jeopardy Competition. At the end of the program, the Fellows will become a member of the Fellows Alumni Network with additional networking opportunities. Upon completion of the program, Fellows will possess many new insights and a broader network of connections to expand their career growth and leadership impact and are offered the opportunity to apply to become a Non-Resident Member of the Club.
